Drills, Skills and Scrimmages

Today's youth are tomorrows future on Andover High School's baseball fields.

Combining fun and serious play with small groups, semi-private, and one on one instruction with Andover High Baseball Staff, Alum and Andover High Division 1 MVC Players.

This is your child's chance to play up with High School players and their coaches. Looking ahead to tryouts at AHS Baseball? This is great place to start or show your style. Younger or less experienced players can capitalize on learning from the best and from the beginning.

Drills, skills and batting tunnels complete with indoor scrimmages (winter) and large field play during summer clinics.

**Players will be separated by age, experience and ability.*
